Thanks, Reggie and Stepan!

We've now uploaded the most recent versions of the OCTEA deadline tracker and the NEPA tracker to the Front Office dashboard.

Copies of both trackers are also attached to this email and I've added copies to the G drive Ex. 6 Personal Privacy (PP)

Please feel free to let us know if you have any questions.

Reggie and Stepan,

I've attached the latest draft of the deadline tracker spreadsheet.

This version contains the data that we've received over the last few days in addition to the previous data entries from 2021.

Please let me know if you have any edits in mind – as always, I'll be glad to chat this afternoon.

Thanks,  
Angus
